2007: iPhone

Study 1 (2004-2007)

Study 2 (2015-2018)

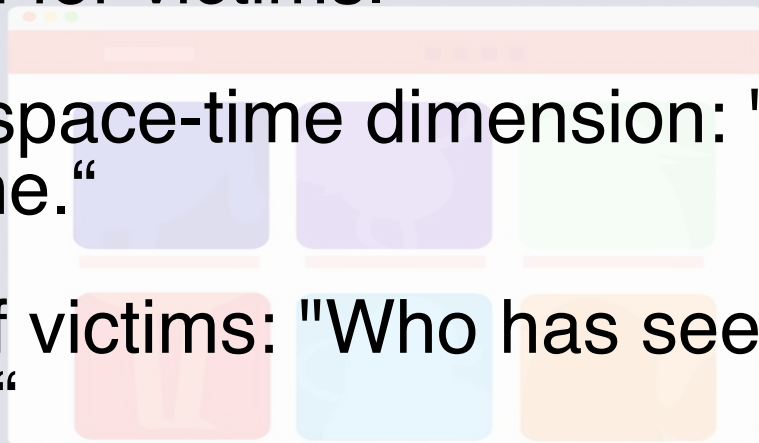

# Child Sexual Abuse Images

distribution of child sexual abuse images – is a heavy burden for victims.

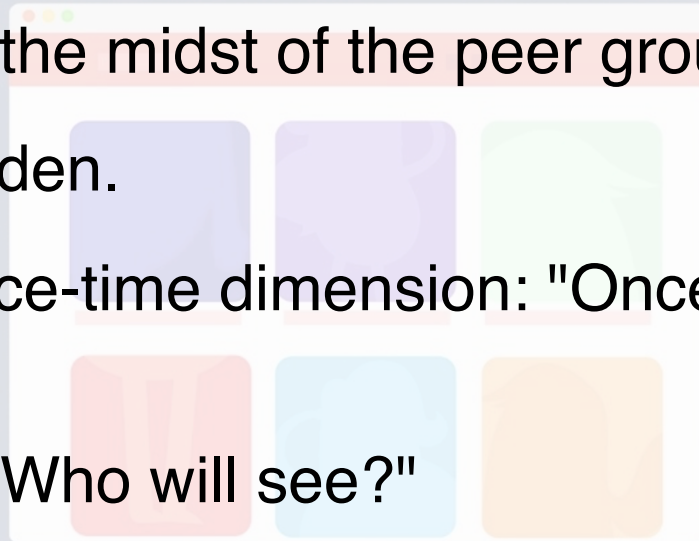

... blasts the space-time dimension: "Once online - always online."

... stirs fear of victims: "Who has seen / who will in the future?"

# SharedRape

- ... unwanted distribution of intimate images for the victim
- ... usually hits in the midst of the peer group
- ... is a heavy burden.
- ... blasts the space-time dimension: "Once online - always online."
- Fear of victims: "Who will see?"
